2019 Government IT Symposium

DEAR SOLUTION PARTNER,

Thank you for considering sponsoring and/or exhibiting at the 2019 Government IT Symposium. Now in its 38th year, the Symposium is one of the longest-running government IT events in the nation. A key reason for the Symposium's longevity is its reputation for being a high-quality learning and key relationship-building event. The Government IT Symposium is committed to continuing to provide an excellent experience for our 800+ attendees and the over 70 private sector partners that support and participate in this event year after year.

The majority of our attendees are executives, leaders and directors from across government sectors and IT functions so your opportunities to engage with the key decision-makers are excellent. Support from leading IT companies and organizations like yours helps to make the Symposium possible. Our state, county and municipal government leaders appreciate that fact, and they look forward to the opportunity to connect with and learn from the solution partners who are there each year. We hope you will contribute your time, expertise and resources and join us on December 11-12 in St. Paul, Minnesota.

We have a wide variety of sponsorship and exhibiting opportunities for you to choose from, but remember to lock in now as the most influential opportunities go fast. Come be a part of this legacy event and make the connections you need to drive your business forward.

On behalf of GTS Educational Events and the Government IT Symposium Steering Committee, we look forward to developing our relationship and seeing you at the Symposium!

A handwritten signature in black ink that reads "Mary Wynne". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

MARY WYNNE
Executive Director

2019 GOVERNMENT IT SYMPOSIUM STEERING COMMITTEE

The Symposium Steering Committee is composed of members from multiple public and private sector organizations to create a program agenda that is relevant, supportive and valuable to the state and local government employees and organizations attending the Symposium.

WHY YOUR BRAND SHOULD BE HERE

IT IS NO LONGER BUSINESS AS USUAL.

Government IT services are evolving at a faster pace than ever before. Changes in the workforce, rapid advances in technology, growing expectations by citizens and politicians and the increasing security threats demand that Government solution partners have the right insights and capabilities at the right time. *The 2019 Government IT Symposium gives your business a leg up on the competition by providing information, insights, and opportunities to position you for success into 2020 and beyond.*

WHO ATTENDS

The 2019 Government IT Symposium hosts government leaders and professionals from city, county, state and regional agencies, as well as state college and university offices.

ATTENDEES BY FUNCTION, FROM LARGEST TO SMALLEST:

ATTENDEES BY SECTOR, FROM LARGEST TO SMALLEST:

State

County

City

Region

Higher-Ed

“The most valuable part of the Symposium is finding out what’s new in the market, and how government and corporations fit together, new ideas and time to network with the vendors.”

—2018 Attendee

TOP 2018 SPONSOR BRANDS

"Cisco has been a sponsor of the MN Government IT Symposium for over 10 years. We have found this is to be the most effective event in Minnesota for reaching our public sector customers."

— Bill Bleckwehl, Cisco

"We have been exhibiting at the Government IT Symposium for over 15 years because we can't find a better place to speak with so many IT Professionals from the state, local and education sectors. This continuity has afforded us the ability to establish long-lasting relationships as well as the opportunity to build many new ones with IT professionals from these organizations."

—Marty Ward, TSG Server and Storage

GIVE YOUR COMPANY AN ADVANTAGE

AS A SPONSOR OR EXHIBITOR AT THE GOVERNMENT IT SYMPOSIUM, YOU WILL:

CONNECT WITH THE RIGHT PEOPLE

The Government IT Symposium attendees are excited to learn about the solutions your company can provide to help them evolve and meet new demands. The Symposium gives your company the opportunity to connect directly with decision-makers and agency procurement staff with buying power.

PROMOTE YOUR COMPANY

Your company will have variety of opportunities to be visible to key decision-makers across government sectors, agencies and function areas. These leaders come prepared and pay attention to and appreciate those companies that take the time to showcase products and services that will help them meet their goals.

CONTRIBUTE TO AND LEARN FROM THE EXPERIENCE

Take advantage of being face-to-face with hundreds of current and potential clients by sharing your knowledge and expertise through presentations, demonstrations and conversations. Learn about industry issues, solutions and strategies by attending sessions and listening to attendees. The opportunity to gather key intel is one of the best outcomes from being at the event!

INCREASE ROI

Your marketing dollars will not go to waste. Most of our sponsors and exhibitors come back year after year because it not only provides valuable exposure to decision-makers, it also delivers results – relationships and connections that lead to long-term clients.

“The MN Government IT Symposium continues to be an incredibly important show for us year after year. It is unique in that it’s the only opportunity to connect with so many of our key clients at the same event.”

—Derek Burns, Chief Marketing Officer, Tierney Brothers
