The Transforming Learning Summit strives to inspire educators who are transforming systems and practices for the success of ALL students by making the learning experience relevant and meaningful. The theme of the 2021 Summit is Building a Culture of Learning. The conference creates an annual opportunity for practitioners, leaders and stakeholders within the state's education community to come together to advance learning and share best practices.

### EXPERIENCE GREATER REACH FOR AN EXTENDED PERIOD OF TIME BY SUPPORTING AND PARTICIPATING IN THIS ENGAGING AND CUTTING EDGE VIRTUAL EVENT!

Whether you are a company that partners with the K-12 field, a philanthropic or corporate foundation that supports education, or a nonprofit, government or higher education institution that offers key resources for educators, the Transforming Learning Virtual Summit is an efficient, cost-effective and time-saving opportunity to share your solutions, resources and support with hundreds of educators throughout the upper-Midwest and beyond.

### NOW, MORE THAN EVER, SCHOOLS AND DISTRICTS NEED YOUR RESOURCES AND SOLUTIONS.

- Meet decision-makers and practitioners from diverse settings and geographic areas
- Visibility during the virtual live conference, and visibility for months to come following
- Position yourself as a learning solutions leader
- Discover emerging trends in the K-12 market and identify market needs
- Generate business opportunities with current and prospective partners
- Showcase new technologies and current products, services and programs
- Establish your institution or organization as a critical solution partner
- Forge new partnerships

### WHO WILL BE THERE

Get in front of hundreds of attendees representing public schools, private schools and charter schools from across the country, including:

- Superintendents
- Principals and Assistant Principals
- District Leaders & Curriculum and Learning Professionals
