## NEW FOR 2022: EXPANDED SPACE AND BREAK TIMES

As we're reintroducing the in-person option for the 2022 GOVIT Symposium, we've adjusted some things to address the recent pandemic. We're spreading out our space at the Saint Paul RiverCentre to create comfortable, open, and functional space for attendees to connect, unwind, or work. We're also extending our break times between sessions so you have additional time to make room for the things at work that don't and won't turn off.
