NEW FORMAT!

The GOVIT Leadership Summit, taking place on November 19th, will bring together hundreds of local and state government IT executives and emerging leaders for a day filled with valuable information sharing and conversations about current and future challenges and opportunities. Participating in the Summit gives your company a seat at the table to gain critical insights and strengthen relationships with decision-makers from across the country.

The GOVIT Symposium, taking place on November 20th and 21st, will include even more government technology professionals from diverse functional areas to learn and exchange ideas and solutions on a broad set of topics. Participating in the Symposium extends your company's opportunity to build knowledge, share your solutions, increase visibility and create even more relationships with government technology leaders and their teams.

The best part? All sponsorship levels include access and opportunities across all three days!

NEW LOCATION!

Taking place at the JW Marriott at the Mall of America, the GOVIT Leadership Summit & Symposium is a destination location that is easily accessible by car or air travel. In addition to being minutes from the Minneapolis/St. Paul Airport, the JW Marriott is attached to Mall of America, making dining, shopping and entertainment options plentiful without having to leave the building! Enjoy beautiful and intimate conference facilities, well-appointed accommodations and a variety of amenities to round out your experience.

"The Government IT Symposium is an excellent opportunity to connect with practitioners and decision makers from state and local government."

We have seen noticeably higher level of engagement from this Symposium compared to other, similar conferences, with the focus on technology and government agency solutions and problem solving. Logisolve sees this conference as a valuable opportunity to demonstrate our approach and success within the unique context and challenges faced by government agencies (budgeting, appropriations, grants, legislative priorities, etc)."
