UPDATED FORMAT!

The GOVIT Leadership Summit & Symposium brings together leaders and decision makers from around the country for three days filled with valuable information sharing and conversations about current and future challenges and opportunities. Participating in the Summit & Symposium gives your company a seat at the table to gain critical insights and strengthen relationships with decision makers from across the country.

MORE TIME & SPACE TO ENGAGE WITH PUBLIC SECTOR IT LEADERS

You asked and we listened! This year, we've expanded the ballroom layout to provide you with more spacious networking and meeting experiences. We've also increased the length of breaks and dedicated networking time! Select-level sponsors will receive a private meeting table in a dedicated sponsor area of the main ballroom to facilitate networking during the Leadership Summit and first day of the Symposium.

CONVENIENT LOCATION!

Taking place at the **JW Marriott at the Mall of America**, the GOVIT Leadership Summit & Symposium is a destination location that is easily accessible by car or air travel. In addition to being minutes from the Minneapolis/St. Paul Airport, the JW Marriott is attached to Mall of America, making dining, shopping and entertainment options plentiful without having to leave the building! Enjoy beautiful and intimate conference facilities, well-appointed accommodations, and a variety of amenities to round out your experience.

"This event is an excellent opportunity to connect with practitioners and decision makers from state and local government.

We have seen noticeably higher levels of engagement compared to other, similar conferences, with the focus on technology and government agency solutions and problem solving.

Logisolve sees this conference as a valuable opportunity to demonstrate our approach and success within the unique context and challenges faced by government agencies (budgeting, appropriations, grants, legislative priorities, etc)."
