

GOVIT LEADERSHIP SUMMIT & SYMPOSIUM

November 8-10 | DoubleTree by Hilton, Bloomington, MN

Bringing together government IT leaders and practitioners to promote transformative change!

The GovIT Leadership Summit & Symposium, produced and hosted by the Public Technology Institute, is the can't miss event for government IT across the nation. Featuring over two days of thought leadership, networking, and content meant to inspire, it will leave you feeling refreshed and ready to tackle what's next.

"I enjoyed hearing the hope and optimism even though these times are very difficult.

In spite of cutbacks, innovation continues." -2025 GovIT Attendee

Thought Leadership for Every Topic

With 70+ sessions covering every aspect of government IT, there is something here for everyone. Content is grouped into 6 session tracks:

- Leaders & Emerging Leaders
- Technology Governance
- Cybersecurity Risks & Strategies
- Product & Project Skills
- Digital Government
- Innovation, Insights, & Trends

And a special Foundations of IT Leadership session track for aspiring leaders where attendees of all sessions can come away with a certificate!

"The GovIT Conference is one of the best conferences for networking with public sector technology leaders and learning from industry experts!"

-Chris Chirgwin, CIO of Santa Barbara County, CA
